

VSL 2025 course list and loan caps

VET Student Loans are only available for approved courses at the diploma, advanced diploma, graduate certificate and graduate diploma level that are specified by the <u>VET Student Loans</u> (Courses and Loan Caps) Determination 2016.

The determination specifies the courses for which VET Student Loans may be granted, sets the maximum loan amounts for those courses and provides for the annual indexation of the maximum loan amounts.

There are 3 loan cap bands that apply whether the course is being delivered face-to-face, online, or via mixed delivery modes. These are set out in Tables 2, 3 and 4. The exceptions to these loan caps are set out in Tables 5, 6A, 6B and 6C.

The available loan amount is indexed each year. The maximum loan amounts for 2025 are shown in the table below. These will apply to all units of study, for new and continuing VSL students, with a census day of 1 January 2025 or later. More information regarding indexation is available in VET Student Loans Course Caps Indexed Amounts (for students).

Table 1: VET Student Loans – Loan indexation amount for 2025

You can search for VSL approved courses and find out which providers are approved to offer the courses at Explore Your Career | Your Career.

Approved providers may charge course tuition fees that are more than the loan cap amount, and you may have to pay the gap between the loan amount and the tuition fee as you progress through your course.

VSL Approved Courses

Note: A superseding course (that is, a newer version of a course) that replaces a course listed in the tables below is also an approved VSL course.
