## Publications

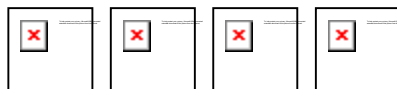

### [Apprentices and trainees 2023: June quarter](#)

Apprentices and trainees 2023 – June quarter provides a national picture of apprentice and trainee activity, including both quarterly and annual figures that can be broken down by state and territory.

## Media release

### [Apprentice and trainee completions rise](#)

New data released today by the National Centre for Vocational Education Research (NCVER) shows that there has been an increase in completions for apprentices and trainees in the 12 months ending June 2023, when compared with the preceding 12-month period.
