# Is your business considering retrenchment?

 What's  
Next

Are you considering retrenching your staff?  
Make sure you **develop a plan early in the process** and take advantage of the help that is available to you.

### Your plan should:

- ➔ Consider alternatives to redundancy, such as transfers, retraining, redeployment, reduced hours or part-time work.
- ➔ Seek advice on options and requirements around retrenchments **[www.fairwork.gov.au](http://www.fairwork.gov.au)**
- ➔ Think about the best way to manage change in your business **[www.business.gov.au](http://www.business.gov.au)**
- ➔ Consult with employees and unions about major workplace changes
- ➔ Support your retrenched staff. This includes help to find a new job and information on health and well-being services **[www.whatsnext.dese.gov.au](http://www.whatsnext.dese.gov.au)**
