Trades-Based Australian Apprenticeships

For the purposes of *Boosting Apprenticeships Commencements*, an Australian Apprenticeship is deemed "trades-based" under *Section V.L.3b Existing Worker* and *Section V.L.3c Limits* if the relevant STA approves a Training Contract that has:

- a Certificate III or IV level qualification with a nominal duration of more than 12 months; and
- the qualification leads to a defined six-digit ANZSCO Occupational Outcome under Major Group 3 (Technicians and Trades Workers).

Both the qualification and ANZSCO six-digit Occupational Outcome must be checked against this list for an Australian Apprenticeship to be deemed "trades-based".
