Good morning

Minister Watt travelled from s 47F(1) last night s 47F(1) and has misplaced a black personal s 47F(1) (like a small pager).

Can you please advise if it was left on the plane.

Kind regards

Good afternoon

Minister Watt has received frequent flyer points for work related flights which he isn't entitled to. He has asked that they be reversed please:

- Jetstar flight on 23/10/24
- Rome to Doha flight on 2/7/23

Kind regards

Good morning

Thank you for actioning that – confirming the Jetstar flight was 2024 not 2023.

The Doha flight details are below – it was 2023. Apologies I did contact Qantas at the time asking for them to be removed and I have checked again and it appears they were removed in September 2023. No further action required for that flight.
