Transition to Work

Information for Participants

A service to support young people aged 15 - 24 on their journey to employment.

If you are aged 15 – 24 and want help getting into work or study then Transition to Work (TtW) is for you! TtW is a service to support young people aged 15-24 on their journey to enter employment or complete education.

Transition to Work

Information for Participants

Want to work?

We will help to find a job that's right for you, assist you with any training or qualifications and make sure you are prepared for your first day at work. We will support you to keep your job.

Want to study?

We will help you find and enrol in a course that's right for you. We will support you to be prepared for your first day at study and support you throughout your course.

How does TtW work?

At your first appointment, you'll meet your specialist Youth Employment Coach. We will talk to you about what you enjoy, what you are good at, what you want to do, and discuss any support you need to ensure you achieve your work or study goals.

We'll work together to create a plan that's unique to you and focused on your work or study goal and what needs to happen to make your goal a reality.

How we help you

You will have access to SYC's range of youth specific programs and supports to help you achieve your goals as well as:

- Information about work or study options
- Training and support to get you ready for work
- Support to be ready to commence study
- Support to write a great resume and job application
- Learning how to stand out in an interview
- Workplace tours or work experience
- Access to driver's licence and learner support services
- Access to professional mental health support

We talk with employers in your local area to find the right job for you.

Ongoing support

Once you start your job or study, we'll stay in touch with you to make sure everything is going okay. If you need extra support or have difficulties at work, home or in your personal life, SYC's team is there to support and help you.

Our Digital Chatbot platform allows you to communicate your requirements 24/7.

SYC works with services and organisations in your local community so you can get the help you need. Together with our partners, we will get you ready for work, help you find a job and stay in work or study.

Our locations

Our locations are open weekdays from 9am to 5pm. You will find our sites to be warm and welcoming environments where you can access support, resources, computers and free WIFI.
