# USER GUIDE TO THE PORTFOLIO ADDITIONAL ESTIMATES STATEMENTS

#### **USER GUIDE**

The purpose of the Portfolio Additional Estimates Statements (PAES), like that of the Portfolio Budget Statements (PB Statements), is to inform Senators and Members of Parliament of the proposed allocation of resources to government outcomes by entities within the portfolio. The focus of the PAES differs from the PB Statements in one important aspect. While the PAES include an Entity Resource Statement to inform Parliament of the revised estimate of the total resources available to an entity, the focus of the PAES is on explaining the changes in resourcing by outcome(s) since the Budget. As such, the PAES provides information on new measures and their impact on the financial and non-financial planned performance of programmes supporting those outcomes.

The PAES facilitate understanding of the proposed appropriations in Appropriation Bills (Nos. 3 and 4) 2014–15. In this sense the PAES is declared by the Additional Estimates Appropriation Bills to be a 'relevant document' to the interpretation of the Bills according to section 15AB of the *Acts Interpretation Act* 1901.

Whereas the Mid-Year Economic and Fiscal Outlook (MYEFO) 2014–15 is a mid-year budget report which provides updated information to allow the assessment of the government's fiscal performance against its fiscal strategy, the PAES update the most recent budget appropriations for entities within the portfolio.

#### Structure of the Portfolio Additional Estimates Statements

The PAES are presented in three parts with subsections.

#### **User Guide**

Provides a brief introduction explaining the purpose of the PAES.

#### Portfolio Overview

Provides an overview of the portfolio, including a chart that outlines the outcomes for entities in the portfolio.

#### **Entity Additional Estimates Statements**

#### 1.1 STRATEGIC DIRECTION

The Department of Employment was created on 18 September 2013. The role of the department is to provide policy advice and support, and implement programmes to deliver the Australian Government's agenda to create more jobs, increase productivity and improve workplaces and safety through pursuing its two outcomes:

Foster a productive and competitive labour market through employment policies and programmes that assist job seekers into work, meet employer needs and increase Australia's workforce participation.

Facilitate jobs growth through policies that promote fair, productive and safe workplaces.

A full outline of the Department of Employment's strategic direction can be found in the 2014–15 Portfolio Budget Statements.
